

## Missing Class Members

The following pages contains names of CHS class of 68 individuals that have not been located as of the date indicated on the page. Keeping track of over 530 people after 50 years is a big job. There may be errors. If you have updated your info or sent info to me and your name still appears on this list then I may have missed it. If so please email me again or use the registration link on the

<http://chs-68.org>

web page.

If you know the whereabouts or current status of anyone in this list please either contact me with their info or have them do so.

Thanks,
