

## **CHS Class of 68 50<sup>th</sup> Reunion Information**

I am very happy to report that your reunion committee has been hard at work this summer. We visited several venues and we have selected the **Hilton DoubleTree Valley Forge** for our 50<sup>th</sup> reunion. It is a class facility and I am sure you won't be disappointed.

The date is **Saturday September 29, 2018**. Rooms will be available at a reduced rate for Friday and Saturday evenings. There will be a Friday night meet and greet in a reserved room adjacent to one of two restaurants at the hotel. The really exciting thing is we are charging the same ticket price as we did for the 40<sup>th</sup> reunion, **\$68 per person**. We are also considering a CHS high school tour for Saturday afternoon. This would be based on interest and would be at no extra charge.

### **Reunion Night**

### **Accommodations**

For those needing accommodations there is a reduced rate at the DoubleTree - \$104/night plus 10% tax. To receive reduced rates you can call 1-800-TRY-VFPA, (1-800-879-8372), and specify code **CHE** - CHS class of 68. There is also a web link at the chs-68.org class page for reduced reservations. Should you have any questions use the number to talk to an agent. Blocks of rooms are reserved for both Friday and Saturday nights but you have a choice of staying one or two nights at these rates. If you are planning on staying at the hotel please make your reservations as soon as possible to ensure availability. We cannot guarantee availability beyond a certain date.

The hotel has very nice rooms, two restaurants, a mini Starbucks and of course there is the King of Prussia mall which is the second largest in the US. The Elmwood Park Zoo is nearby as is Valley Forge Park, and Valley Forge Casino Resort. The hotel provides shuttle service to the local area and also to the Norristown SEPTA train station. While most arriving by plane will probably rent a car you could, with a change of trains, get from the airport to the Norristown station via SEPTA. See the links below for more information on local attractions and transportation.
