

CHS class of 68 members,

With a 2018 50<sup>th</sup> reunion in the planning stages we are trying to reach as many of our former class members as possible. As the years have passed this is becoming a much more difficult task but your input could help significantly.

Please review the following lists of deceased, unconfirmed emails, and never found CHS class of 68 members.

Currently we have about 144 confirmed emails and 68 unconfirmed that were previously known for a total of 212. 41 are known deceased and the remaining are missing. The class was known to have about 525 but the total number in the year book is closer to 540. I believe this list to be accurate as of June 2017 but if you spot an error please let me know.

If you have contact with anyone listed please either have them contact me directly with updated information or pass along any information you may have to facilitate contacting them.

Individuals can update their information at the registration link found at the class web page - [chs-68.org](http://chs-68.org) - or you can contact me via email at [doug@crompton.com](mailto:doug@crompton.com) or by phone at 215-355-5307. When responding to emails please keep the [CHS-68 50<sup>th</sup>] in the subject line. Also if your email changes make sure you get the update to us so we can continue to reach you.

Please keep in mind that there will always be those who do not want to be contacted or participate for one reason or another. Statistics would tell us that there are undoubtedly more deceased than listed. If you find that a class member is deceased please pass that info on so they can be included on the class memorial page.
